

GI Strand

Art Gallery Wayfinding

www.triagonal.dk

Located in an old townhouse in Copenhagen GI Strand is a contemporary art gallery that captures the latest trends in Danish and international art. Following a building renovation GI Strand was refurbished and Triagonal made an idea catalog of wayfinding and information elements to add visual identity to the classical exterior and the new interior.

Client	Kunstforeningen GI Strand
Location	Copenhagen , Denmark
Project Period	2011
Team	Peter Donner Tina Ravbjerg
